

Sound reasons why you should choose our PVC-U windows, doors and conservatories

- Grade A PVC-U profile system
- High performance multi-chamber profiles
- Pre-applied 'fused' gaskets and seals
- Energy Efficient windows & doors
- High security locking systems
- Wide range of window & door styles

- Wide range of glazing options
- Choice of stylish operating hardware
- White or elegant woodgrain finishes
- Bespoke conservatory design service
- Technology, style & craftsmanship
- Excellent sustainability credentials

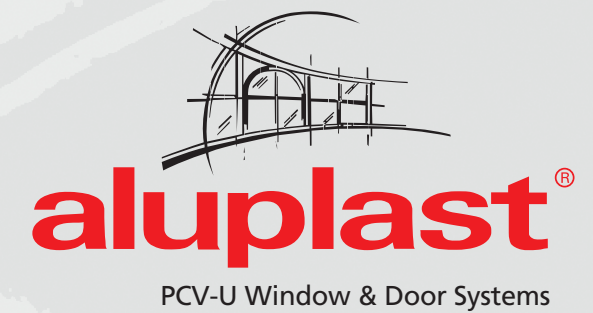

- Experienced trained surveyors
- World class manufacturing facilities
- Outstanding experienced local installers
- Local master builders
- Care and attention to detail

Whatever project you entrust to us, we will at all stages treat you as we ourselves would wish to be treated; with courtesy, care, competence, craftsmanship and minor details being of major importance. We never forget who pays our wages.
